Jesus Saves Lexi: If He Can Save Me, He Can Save You is a one womans personal recollection of lies, truth, racial discrimination and sexual abuse-and of course, her journey from Sexi Lexi to Wilhelmina, the woman of God has called her to be. Key secrets revealed include, but are not limited to: The cover up of the murder of exotic dancer Tamera Greene Personal recounts of being sexually abused by former NFL player Lomas Brown Invalid commitment to asylums to silence the Jesus Save Lexi testimony Local and U.S. federal government corruption If you like the New York Time Bestseller, Confession of a Video Vixen of the film Changeling, youll love Jesus Saves Lexi! About the Author: Born and raised in Detroit, Michigan and the surrounding suburbs, Wilhelmina M. Leonard at one point in time was the second highest paid exotic dancer in the state earning over \$10,000 a week. Although the money was great, her life in general was not. Filled with drama, scandal and violence, she longed for so much more. After performing professionally for close to twelve years, she walked away from contracts in Windsor and Niagara Falls to commit her life to Jesus Christ. Today, she spends the majority of her time witnessing to others about the goodness of the Lord and how she went from sinner to saved. Wilhelmina plans to obtain a Bachelors Degree in Forensic Science with a minor in History. She also wants to obtain a PHD in Apostolic Theology. She has appeared as a feature guest on numerous media outlets, including radio, TV, blog talk radio shows. Her message is clear- if Jesus can resurrect her from all that she has been through, He can do the same for you. www.JesusSavesLexi.com
