

The Stencilled Home: 13 Themed Room Styles

The Stencilled Home provides the inspiration and the stencilling know-how to revolutionise the interior of your own home. Each chapter focuses on one of 13 themed rooms - from the sumptuous red and gold warmth of the Arabian Nights Bedroom, to the cooler navy-blue Nautical Bathroom with its mural compass of gold, to the soft Grecian Hallway with its repeating anthemion motif and the sophisticated colour scheme of muted greys and creams. Each room includes a description of its stencil elements, colour photographs of the interior, a step-by-step project sequence exploring an individual stencilling technique and a stencil pack to trace straight from the page.
