

Book 2 (CD-Rom) (Russian Edition)

This is part two of a textbook in Russian as a foreign language for advanced level (B2-C1, second-third certificate level). This teaching aid aims to develop oral and written skills with regard for stylistic differences in the Russian language. Each chapter deals with current issues of modern Russia: professional career; studying and entertainment for young people; preferences of people of various ages in literature, arts, etc. The course is planned for 120 hours, half of this time is for class work. CD for this course is available.
