

The Next CEO: A Leadership Parable

What would you do differently if you were the one in charge? How would you handle having power? The Next CEO is a leadership parable that tells an engaging story of what can happen when different leadership styles are forced to come together for the success of one organization. This book will immerse readers into the unique challenges that leaders face when it comes to change and success. The Next CEO is a book for organizational leaders, ministry leaders, and individual leaders at all levels who face daily the challenge of staying relevant in an ever-changing world. The Next CEO is a must read for anyone desiring to grow in their understanding of what it takes to be an effective leader of change. Once you begin reading, you won't put it down!
