

## A Chinese and English Pocket Dictionary (Classic Reprint)

The rapid and exhaustive sale of my Vocabulary, coupled with the solicitations of numerous friends, will, I trust, prove a sufficient apology, if any be needed, for the publication of this little volume. The task of compilation was undertaken from a conviction of the usefulness of such a Dictionary to the foreign student of Chinese. Instead of disposing the characters in the usual order, I have arranged them, under their proper radicals, alphabetically; which on the whole, I venture to think, will be found of advantage. G. C. S.
