

# Gapology Inspirations

Gapology is the method Winning Leaders use to identify and close Performance Gaps. It is these Gaps that prevent people from taking action around their most important expectations. The discovery of these three Gaps, and the nine Root Solutions used to close them, have transformed the results of business leaders from all industries. Gapology Inspirations can be read independently, but continues the learning process begun with our first book, Gapology. You are provided with fifty-two fun-to-read lessons, one for each week of the year that you can quickly read, absorb and apply to your life as a Winning Leader. Jump-start each week by reading and reflecting on one of these lessons and how it applies to your role. Then leverage the message to lead, motivate and inspire your team to take action and achieve a winning performance. Begin your weekly transformation today!
