

A Cherokee Ephemeris 1912-2054

With renewed interest in the ancient Cherokee Calendar and other Native American timekeeping systems, the need for a simple way to learn the major factors affecting each days has now been filled. While there are traditionally 22 factors affecting each day, and calculation can be a time-consuming process, this ephemeris provides the five most important factors. For each day from 2012 to 2054, the Day Sign, Wind Sign, Week Sign, Year Sign and Year Wind are provided in an easy-to-use text-based almanac format!
