

All-Star - Book 2 (High Beginning) - Los Angeles Workbook

All-Star is a four-level, standards-based series for adult English learners featuring a picture-dictionary approach to vocabulary building. Big picture scenes in each unit provide springboards to a wealth of activities that develop all the language skills. An accessible, step-by-step sequence of lessons in each unit systemically builds language and math skills around life-skill topics. The series presents a family, work, or community application in each unit, and provides two alternate lesson applications in each of the All Star Workbooks. This Los Angeles workbook is designed to accompany the high beginning level student book.
