

Implementing Primary Health Care: Experiences Since Alma Ata

Discusses the implementation of primary health care since the WHO-UNICEF Alma Ata conference in 1978, plus lessons for the future. English edition cases are from Somalia, Tanzania, Zambia, Bangladesh, India, the Philippines and Colombia. The French edition, Les soins de sante primaires: Experiences depuis Alma Ata includes case studies from Benin, Mali, Burkina Faso, Guinea Bissau and Zaire. (Unrevised reprint)
