

Selections from the Virginia Museum of Fine Arts

Including an updated introduction to VMFAs history as well as full-color reproductions of art from the permanent collection, this newly designed, revised, and expanded edition of Selections from the Virginia Museum of Fine Arts features more 148 highlights selected by the museums curators and staff. Spanning more than five thousand years and representing a wide array of world cultures, this volume includes works from the ancient Mediterranean, Byzantine, ancient American, Asian, African, European painting, European sculpture and decorative arts, modern and contemporary art, late nineteenth- and early twentieth-century decorative arts, and American art collections. For visitors to the museum and art connoisseurs, this book presents a sampling of the diverse objects in VMFAs collection through color illustrations and lively, informative descriptions and discussions of art.
