

Angel Encounters

Have you ever had something happen that you couldn't explain? Something so wonderful you wanted to share it with the whole world but were afraid no one would believe you? Angel Encounters is a collection of such incidents, real-life experiences with angels, spirits, demons, or Jesus himself. These stories have come from across the United States and several foreign countries. They are stories of near-death experiences, angel warfare, unexplained rescues, messages from the other side, appearances of departed loved ones, help from unlikely earth angels, and visits from God and Jesus in a time of need. These stories will give you hope and assurance that you have a guardian angel watching over you. When you need help, all you have to do is pray. God will hear you. And, the next time something truly wonderful and unexplainable happens to you, don't dismiss it as mere chance or coincidence but an expression of God's love for you.
