

Exploring Creation w/ Human Anatomy & Physiology Lapbook Lessons 8-14 - ASSEMBLED

Customized to specifically be used with curriculum by Apologia and Jeannie Fulbright, this pre-assembled lapbook covers lessons 8-14 of Exploring Creation With Human Anatomy & Physiology. Learn about the history of anatomy and physiology, label a skeleton, travel the digestive system, discover amazing facts about the four blood types and much more. An in-depth teachers guide is included which specifically tells where to find the answers to the questions within each chapter of the book.
