

Australian Foreign Policy in the Age of Terror (ANZSOG Program on Government, Politics and Public Management) (Paperback) - Common

This textbook examines changes to Australian foreign policy since 9/11 and the rise of global Islamic terrorism. It covers each of the main areas of Australian foreign policy - security, trade, development assistance, multilateral institutions and bilateral relations. The first section deals with the strategic dimensions of foreign policy, the second with global dimensions, and the final section d...
