

Beasts!: Book Two (New Modern Now Library) (Bk. 2)

All-new beasts, with all-new artists! In the spirit of 2007's acclaimed *Beasts!*, editor/designer Jacob Covey has assembled an entirely new line-up of over 90 artists who did not appear in the first *Beasts!* volume. Like the first book, the deluxe collection *Beasts! Book Two* will include a Who's Who of the contemporary art world, collectively crafting a menagerie of mythological creatures, monsters, beasts and things that go bump in the night, superbly laid out in breathtaking two-page spreads per beast. The *Beasts!* project - comprised only of creatures that were thought at one time to actually exist - has attracted many of the best visual artists from the worlds of comics, skateboarding, rock graphics, science fiction, children's books, commercial and fine art, and the second volume has attracted all world-famous artists such as Gene Deitch, David B. and Yuko Shimizu.
