

Highlights of the New Britain Museum of American Art: Volume III: The Sanford B. D. Low Illustration Collection

The New Britain Museum of American Arts Sanford B. D. Low Illustration Collection is among the finest in the country, with 2,000 examples representing a range of media and subject matter by the major figures in American illustration. While there are a handful of existing publications that chronicle the leading American illustrations of the nineteenth and twentieth centuries, this volume, featuring new, original research, will serve as both a formal record of the top works in the Museums collection and a tribute to the great illustrators of our day.
