

Dialogues and Conversations 51-60. General English Expressions.: English Teaching Materials for Tutors and Students in Private ESL Lessons (Just Speaking 2014)

Just Speaking #6 contains general dialogues with a number of expressions thrown in to challenge the student. While intermediate level and above is recommended, these dialogues can also be used to challenge beginners into improving their reading and pronunciation skills. This series of dialogues and conversations has been released to fulfill a demand in the ESL industry for more mature style conversations for use in private tuition as well as pair or group work in the adult classroom. These have been reformatted for use on a Kindle so that ESL Kindle users can practice reading the dialogues out loud and discuss the language used with their tutor or with each other. These eBooks contain just dialogues. It is up to the tutor and teacher to create their own lessons around these dialogues. Some suggestions include (for those who have the software) a) Library lend the file to other Kindle users and create a play in the classroom b) Create listening test questions and use the text-to-speech function on Kindle c) Create a discussion about some of the phrases used For ESL tutors, the ideas they can come up with using these dialogues are endless. As a tutor Ive always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are now 8 volumes in the Just Speaking series with more on the way.

Si bien se recomienda el nivel intermedio y superior, estos dialogos tambien se puede utilizar para desafiar los principiantes en la mejora de sus habilidades de lectura y pronunciacion. Esta serie de dialogos y conversaciones ha sido puesto en libertad para cumplir con una demanda en la industria de ESL para las conversaciones de estilo mas maduro para su uso en clases particulares, asi como par o grupo de trabajo en el aula de adultos. Estos se han reformateado para su uso en un Kindle para que los usuarios de ESL Kindle pueden practicar la lectura de los dialogos en voz alta y hablar el idioma con su tutor o entre si. Estos libros electronicos contienen solo dialogos. Corresponde al tutor y maestro para crear sus propias lecciones en torno a estos dialogos. Algunas sugerencias incluyen (para los que tienen el software)
a) Biblioteca presta el archivo a otros usos Kindle y crear una obra de teatro en el aula

c) Creacion de una discusion sobre algunas de las frases que se usan
Para los profesores de ESL, las ideas que pueden llegar a utilizando estos dialogos son infinitas. Como tutor siempre he encontrado dialogos para ser util en la adquisicion de vocabulario, practicar la pronunciacion, la construccion de la confianza, y mas. Los estudiantes comentan regularmente sobre la utilidad de los dialogos son y siempre piden mas, por lo que ahora hay 6 volumenes de la serie solo hablar con mas en camino.
