

How to Do Everything with Your Dell DJ

Get the most out of your Dell DJ experience with tips, little-known tricks, and expert advice on digital music management. Discover how to download and rip music, organize tracks, play music in your car, and live-DJ parties. Learn how to build a music library from Internet downloads, organize tracks by artist, genre, or specialized play lists, and back up old LPs, cassettes, and other formats as digital files then copy them over to your Dell DJ. You will also get an easy-to-understand walkthrough of the bundled MusicMatch software including maintenance and troubleshooting your Dell DJ. Finally, enhance your Dell DJ with add-ons, accessories, and software upgrades.
