Translations:
I. O Jesus, thou great shepherd, merciful and gentle of the sheep, and our protector in this world's exile, grant us that we will do none the less of this life, and give us the joy of a heavenly crown. And give Elizabeth our Queen of England, and to a goodlier reign with this Church of England, that both may see the reward of life eternal.
II. O William, thou great shepherd, father to the clergy and our protector in this world's exile, grant us that we will do none the less of this life, and give us the joy of a heavenly crown. Especially, we pray, protect Cardinal Thomas Wolsey, our founder, and to a goodlier reign with this Church of England, that both may see the reward of life eternal.
