

El Radar Empresarial / Adolescence. the Farewell to Childhood (Spanish Edition)

En un mundo donde las penurias economicas de Filipinas pueden repercutir en Denver, donde la red Internet difunde una avalancha incontrolable de informacion barata, y donde la globalizacion esta creando paradójicamente una segmentacion mas que una homogeneidad, ¿como puede una compania defender su posicion competitiva? Se trata de un interrogante fundamental, desconcertante, pero absolutamente esencial que todo lider empresario debe responder. Karl Albrecht, uno de los principales expertos del mundo empresario de los Estados Unidos, ha transformado este panorama dinamico y excitante -pero a menudo caotico y amenazante- en algo comprensible y de facil lectura. Escrito con la vision de un futurologo y el criterio practico de un entrepreneur, El radar empresarial, le mostrara como ir mas alla de los parametros empresariales corrientes para analizar las contingencias, las tendencias y las fuerzas que pueden alterar radicalmente su futuro. Con ejemplos extraidos de la vida real, este libro le brindara una vision mas amplia del mundo, habilidades para captar las coordenadas que rigen su empresa, y las herramientas para evaluar inteligentemente las oportunidades y amenazas.
