

## Chakra & Aura Clearing: Improve your Mental and Physical Well Being

As you work through this book you will learn about the main chakra system and you will be able to identify any chakra(s) which need to be cleared. Moving forward, you are then introduced to the tools to help you clear your chakra(s). Specific meditations will guide you through the clearing process. You will also read about the aura and the colours that you may be able to see within it. You will learn what those colours mean, as well as techniques to help you see those colours and how to release any blockages within the auric field. All of your hard work will be well rewarded, as you will feel better physically and your connection to the Universe will be enhanced, your spiritual well-being will increase. What better gift can you give yourself?
