

Enjoy the Ride

Enjoy the Ride offers straightforward, practical techniques that will immediately affect your life allowing you to understand the transformative power you possess to create whatever you desire. Drawing from historical wisdom and using accessible metaphors, Daly demonstrates how thoughts create reality and how the process of examining thought patterns can enable you to reach any goal you set of yourself. The inspirational guidance found in this book takes you on a journey of self-awareness and provides a clear path to reach your potential in all areas of life.
