

A Knee Dictionary of Modern English Yeesidge

English vowels are going sideways! Its not the first time, either. Just after Chaucer turned up his toes, people stopped saying erse and started saying ... well, you know. The Great English Vowel Shift has kept generations of linguistics undergrads sniggering ever since. Now, where people used to say oo theyre saying ee. Bad news becomes bad knees. As you can imagine, this can cause some confusion and unnecessary joint replacement. This little dictionary is designed to guide you through the difficulties. Pretty seen, yeell be a fleellant yeeser of Modern English!
