

The Miss Universe Club: Meditations on Reclaiming your Whole Self

Hi. Do me a favor; tune into your body for a sec. Are you feeling a certain intrigue streaming through you right now? If so, I'd say Athena has something to tell you ;)

Check all that apply:

1. Part of you knows that you are powerful, beautiful, creative, nurturing, competent, AND funny, but your lifestyle doesn't reflect the diverse facets of your entire Self. You're ready to embrace and express your wholeness.
2. You've heard of meditation being the next superfood, and are curious about learning some unconventional and fun ways to tap into your inner wow.
3. You're interested in Greek mythology and desire to know more about how you and Athena --- aka the Boss Goddess-- are related.
4. You secretly wish you were wearing a crown. (ok that could just be me) If you've checked at least 3/4 then YOU my dear are the next Miss Universe and are about to awaken to your inner cosmos... lets hit it! Katerina
