

Medical Inquiries and Observations Upon the Diseases of the Mind (Classic Reprint)

Eastern District of Pennsylvania, to wit: Be it remembered, that on the first day of December, A. D., 1825, in the fiftieth year of the Independence of the United States of America, William Rush, of the said district, has deposited in this office the title of a Book, the right whereof he claims as proprietor in the words following, to wit: Medical Inquiries and Observations upon the Diseases of the Mind. By Benjamin Rush, M. D., Professor of the Institutes and Practice of Medicine, and of Clinical Practice, in the University of Pennsylvania. In conformity to the Act of the Congress of the United States, entitled An act for the encouragement of learning, by securing the copies of maps, charts and books, to the authors and proprietors of such copies, during the times therein mentioned: and also to an act entitled, An act supplementary to an act, entitled, An act for the encouragement of learning, by securing the copies of maps, charts and books, to the authors and proprietors of such copies, during the times therein mentioned; and extending the benefits thereof to the arts of designing, engraving, and etching historical and other prints. S. D. CALDWELL. Clerk of the Eastern District of Pennsylvania. Printed by J. Crissy G. Goodman, 4th Minor St. (Typographical errors above are due to OCR software and do not occur in the book.)
