

The Customer Is Always Right! (Even When Theyre Wrong!) (Customer Service Training Series)

Our customers are the most important parts of our business. Without them we simply could not exist. But what do you do when some of those customers get upset and make outrageous or unreasonable demands? What do you do when customers ask for things they are not entitled to and threaten to take their business elsewhere if they don't get what they want? The Customer is Always Right tackles these situations and others that can cause your customers to leave and go to the competition. We show you how to resolve even the most difficult situations and please the most difficult customers. We also show you how to turn a negative situation into something that will give you a customer for life. We show you common pitfalls and mistakes that are made everyday that cause customers to leave and go elsewhere. Things that are so easy to correct you will be shocked at how easily you can improve your customer service and customer retention. The customer is always Right is over 120 pages of pure information you will not find anywhere else. This is 100% original information written by the staff of The Customer Service Training Institute.
