

Getty Research Journal No. 3

The Getty Research Journal showcases the remarkable original research underway at the Getty. Articles explore the rich collections of the J. Paul Getty Museum and Research Institute, as well as the Research Institute's research projects and annual theme of its scholar program. Shorter texts highlight new acquisitions and discoveries in the collections, and focus on the diverse tools for scholarship being developed at the Research Institute. This issue features essays by Bridget Alsdorf, Mari-Tere Alvarez, Sussan Babaie, Jane Bassett, Eckhart Gillen, Ara H. Merjian, Avinoam Shalem, Astrit Schmidt-Burkhardt, Isabelle Tillerot, and Wim de Wit; the short texts examine a scripta of Bartolomeo Sanvito, a sixteenth-century Florentine list of buildings to be demolished, a print by Donato Rascicotti, the diaries of James Ward, a family photo album of Morocco, Julius Shulmans A to Z negatives, Robert Alexander and Instant Theatre, and Anselm Kiefer's Die berühmten Orden der Nacht.
