

## The Metropolitan Museum of Art: Masterworks from the Collection

This collection-based CD-ROM from New York's Metropolitan Museum of Art presents 257 works of art, together with commentaries. These are accompanied by more than 500 supplemental and comparative pictures, video clips, musical selections, and pronunciations. An introduction highlights 16 works of art. Organized by culture and period, the disk includes an introduction to the museum and to the history of art, and includes a time line, map, and an index that should make it possible to access the works in various ways.
