

How to Form a Team: Five Keys to High Performance

Team success doesn't start with results. It starts with the building of an effective team that can deliver on its promise. This book is for managers and leaders who have responsibility for the creation and success of teams. If you are a department head or project manager, or if you are the senior-level champion or sponsor of a proposed team, this guidebook will help you understand the five factors critical to building effective teams and show you how to use those factors to lay the groundwork for successful teams.
