

New HSK Mock Tests for Level 5

Tests in this book are designed according to the format of actual tests. The book includes eight sets of mock tests and corresponding listening materials. The section for listening comprehension is in MP3 format. Essential information about the HSK is also provided. The selection of the questions will reflect the features of the new HSK tests. After completing intensive exercises, students can better their understanding of the language points, vocabulary, and grammar required, and gain a thorough understanding of the structure of the test. This book will allow students to be fully prepared to sit the test.
