

## If the Paintings Could Talk (National Gallery of London)

If the Paintings Could Talk reveals the hidden histories of paintings in the National Gallery, London. With a treasury of fascinating facts, discoveries, and tales, this book describes the flight a work took down a mountainside and the portrait that appeared in a James Bond film, among many other entertaining events and stories. An engaging, accessible, and highly original gallery guide that cross-references entries throughout, the book provides a unique tour of this remarkable collection.
