

# Architecture of Old Mexico: Vintage Views of Spanish Colonial Courtyards, Facades, Streetscapes, & Interiors

More than 300 antique postcard images take readers through Mexico's streets and palaces, churches and courtyards. Architects, designers, and landscape professionals will find endless inspirations in this rich collection of images. Postcard collectors will appreciate this wealth of real photo postcard imagery, as well as artistic hand-tinting and color makeovers created for tourists and locals alike between 1905 through the 1940s. Stucco walls, wooden doors, carved columns, and tiled fountains are among the many details that will delight and inspire.
