

# Beethoven: With a Supplement from the Philosophical Works of Arthur Schopenhauer (Classic Reprint)

Beethoven's birth, and as no other opportunity worthy of the occasion was afforded him he chose to offer a written exposition of his thoughts on the significance of Beethoven's music. The form of the treatise was suggested by the idea that the author was called upon to deliver an oration at some ideal celebration in honour of the great musician; and as such an oration was not to be spoken, he took leave to expound his thoughts at a greater length than would have been permissible had he actually addressed an audience. Thus he was enabled to submit a more thorough investigation of the nature of music, i.e. (Typographical errors above are due to OCR software and do not occur in the book.)
