

Frequent Flyer Humor

Frequent flying is often dreary. Sometimes unpleasant. Sometimes in extremis. This is the antidote. Frequent Flyer Humor and One-Upmanship is a collection of humorous or incongruous short stories and one-liners. Its to give you smiles and chuckles punctuated by an occasional knee-slapping guffaw. It starts with reservations and ends with landings. Theres an occasional side trip along the way in case flying is more interesting than taking a ride on a winged bus. One-Upmanship because some of the information is somewhat sophisticated and may be unknown. Frequent Flyer Humor was created for you by a former frequent flyer. Been there, done that, its happened to me.
