

Grandma Is on a Rampage

Pearl Harper, who calls herself Grandma, is a cranky old woman who is out to destroy the reputation of a company she was fired from. People think she killed her husband. Grandma also begins attacking people by sending articles to the local paper. Maude is a Christian who had a run in with Grandma and finds the strength to confront Grandma in the local paper as well, and yet she shows a soft side to her by telling Grandma in the paper that she is praying for her. Grandma hates foreigners, but Maude shows love to some folks from the Middle East hoping to win them to the Lord Jesus Christ. Will Grandma stop her rampage and settle down? Read to find out. The author Katy Kanderson loves the Lord as a born-again Christian, enjoys international cultures, has traveled to various countries and enjoys writing Christian books. She especially loves helping orphan children.
