

Shut That Negative Noise Off!: And Find Your Joy In Life

This life coaching book is the product of having received hundreds of emails and followers on Facebook thanking me for my inspirational quotes. Many indicated that they received healing just by reading what I was posted. It was then that GOD touched my spirit to write this book that would help turn lives around the World to the positive realm of living. It has the steps that most people, on a daily basis; require in order to shut that negative noise off. This is a book that has great emphasis on how I endured so much pain and triumphed by the Stripes of Jesus Christ (the way). GOD(The Ultimate Omnipotent Positive Energy) sent us the way to get out of the negative realm if we just spend more time speaking to HIM and allow the strength to overflow and lead us to Victory! GOD has taken my hurt and has instrumentally used me so that HE CAN HEAL OTHERS THROUGH MY WORDS/WRITINGS. IT IS GOD (Omnipotent Positive Energy) THAT HEALS THROUGH CHRIST JESUS. May this book bless you with whatever healing you and your loved ones need today. My brothers and sisters, what lives inside of you is greater than any opposition. Learn how to defeat your struggles and live a life of victory!!
