

The Phoenix Leadership Programme: Make Your Best Better

This book challenges the traditional thinking regarding leadership, it offers a straightforward strategic approach that serves to identify the key elements of effective leadership based on the Leadership Cycle: Knowledge, Understanding, Skills, Application and Results (K.U.S.A.R.). This five-stage model identifies how real development and effectiveness is achieved, reviewed and maintained. The Phoenix Leadership Programme is essential reading for anyone who aspires to be a truly effective leader.
