

International Express: Pre-intermediate: Class Audio CD

International Express combines general English with business situations, giving students the social and functional English they need to work, travel, and socialize. International Express is a course for adult professional learners who need English for work, and for communication in out-of-work functional contexts, such as travel or socializing. The balance of general and business English is suitable for those who need to interact in a variety of situations both in and out of the workplace. The NEW video footage on the Students DVD-ROM and Teachers DVD brings the outside world into the classroom, and provides additional speaking and listening practice.
