

Put English To Work: Level 2

Put English to Work Its ESL for the world of work! Contemporaries Put English to Work integrates competencies, structures, and functions within a communicative model. Students acquire general vocational and pre-vocational skills a perfect prescription for vocation and workplace ESL programs and one that's flexible enough for general adult ESL/ESOL programs, too. Each of the seven books follows the workplace experiences of several characters: getting hired, keeping a job, and working toward promotion, along with occasional returns to pre-employment.

Accompanying audiocassettes provide recorded dialogues from the texts and other listening exercises. The instructor's manual contains lesson plans, extension activities, grammar explanations, answer keys, and tape scripts.
