

## Cures without side effects: Practical healing manual of the most essential and effective biotherapy treatments

This book is a practical and very condensed health guide. It's an essential manual for those who want to cure themselves without side effects. Part one describes different healing methods and therapies such as healing using the subconscious mind, Nutraceutical Therapy, Phytotherapy, Spagyric Medicine, Tibetan Medicine, Homeopathy, Homotoxicology, Oligotherapy, Low Dose Medicine and Physiological Regulating Medicine. Part two covers a whole range of treatment protocols for a wide variety of health conditions using all the Biotherapy treatments described in part one of the book.
