

## Kali Meditation Book II: Kali Yantra Sadhana

Yantras are geometric designs containing a specific frequency of Divine energy. In this second volume of the Kali Meditation series, the reader will learn how to construct a yantra dedicated to the Divine Mother in the form of Sri Dakshina Kali, and how to use it as a powerful meditative tool. Meditative techniques outlined in this book include yantra construction and consecration (prana pratishtha), visual meditation (trataka), mantra chanting (japa yoga), and active devotion (puja). Like the first book in the series, The Kali Yantra Sadhana is presented in a manner helpful to both the beginner and the experienced spiritual seeker.
