

Kris Yao/Artech

Presents a variety of international projects from one of Taiwan's most prolific architects. From the head of innovative firm Artech, labelled by World Architecture Magazine as the most impressive practice in Taipei. Features 47 projects and over 500 breathtaking photographs. Showcasing a mixture of modernist and humanist disciplines, the title captures the changing face of architecture in Taiwan and is sure to delight and inspire. Kris Yao is one of Taiwan's best-known architects. Recognised for his distinctive creative flair, he has produced many award-winning architectural designs and has received both local and international acclaim. The sense of energy and innovation he has brought to Taiwan's architectural scene makes him an architect of immense interest.
