

## True to Life Pre-intermediate Class Audio Cassette Set (3 Cassettes): English for Adult Learners

True to Life is a five-level course for adults. To ensure a high level of motivation, the course focuses on contemporary themes, language and learning styles that are relevant to adult learners. The Starter level provides between 40 and 60 hours of class work. The other levels provide between 72 and 96 hours of class work, depending on the various options used. The range of extra materials (photocopiable worksheets, tests and videos) create a comprehensive and flexible teaching package. The ready-made lessons can be used as they stand, saving teacher time, or adapted using the optional activities suggested in the Teachers Book.
