

# Lotus Engine

Just Like a Dream  
What ever your heart  
wants to say  
When ever your dreams get in  
the way  
When ever the memories drag me  
back to you  
Always go with a smile on my  
face cause I know how sweet the taste  
of anything that reminds me of you  
I got a heart like an old oak tree but my mind  
wont set me free  
And all I can think of is  
you  
Now I live in a memory and the world  
means nothing to me without you  
I saw love in your eyes warm as any sunrise  
Ive ever seen  
I saw forever in your smile and I  
was happy for awhile  
Just Like a dream...
