

Against the Night and Japanese Ghost Stories: A collection of horror stories for English Language Learners (A Hippo Graded Reader)

[Against the Night] What happens when we die? Are there really spirits walking among us? Haunting us and helping us? The six short stories in *Against the Night* will make you think and make you wonder. From the terror of *The Mechanical Turk* and the evil Mr. Clean, to the mystery of *Messages* and *The Floating Girl*, and the horror of *Gone* and *Sixteen Years*, once you start reading this book, you won't be able to stop until the last page. And after that, you'll check the cupboards and under your bed... to make sure you really are alone in the night. [Japanese Ghost Stories] Japan... a country that lies beneath a cloud of mystery and secrecy, where the old sits uneasily close to the new, where ancient spirits hide in neon shadows. Some of the ghost stories you are about to read are based on folk tales that have been passed from father to son and mother to daughter for generations. Read about how Hoichi the violinist lost his ears to a ghostly samurai, and how Misu the monk defeated the spirit that devoured the dead. Learn what happens when you break a promise made to a deadly ice spirit, and why a young girl haunts the dreams of a priest in post-war Tokyo. Other stories are as new and exciting as modern Japan. Read about the faceless woman who haunts and taunts a young boy, and the fate of two Japanese gangsters who choose the wrong victim to terrorize. We hope that you enjoy these terrifying tales, and remember, they are only stories... so don't have nightmares. *Against the Night and Japanese Ghost Stories* is published by Hippo Books, a publisher dedicated to producing interesting, readable and fun books. These books are suitable for English students with upper-intermediate English or higher. Be sure to check out our other Hippo Graded Readers. About the Authors: Patrick Kennedy is the chief editor at Hippo Books. He is also one of Hippo's principal writers. He is a DELTA

qualified English teacher with over ten years experience teaching in Europe and Asia. Patrick has also written three English language textbook series. He is the author of the Mahoney Green mysteries and has contributed to many of Hippos short story collections. To find out more about this author, click his name under the book title above. Cooper Baltis is one of the writers and founders of Hippo Books. He is a former Fulbright English Teaching Assistant at the National University of Mongolia and is TESOL certified. He has taught English in Asia for five years and has published stories in several literary magazines in America. His Hippo books include Hassan and Lulu and My Brother the Giant, as well as many short story collections. To find out more about this author, click his name under the book title above. Danny Weiss received a degree in Civil Engineering and Architecture from Princeton University in 2012, and is TESOL certified. He has worked in a variety of different fields and on a number of different projects in Asia, Africa, and South America - most recently as an English teacher and contributing author for Hippo Books, and as a coordinator of international partnerships for a large American NGO.
