

Making Isaiah Plain: An Old Testament Study Guide for the Book of Isaiah

Making Isaiah Plain is an essential new study guide for the challenging words of the man who Nephi called the Prophet, and whose teachings the Savior commanded us to read. A companion to the study of Isaiah in the Old Testament and in the Book of Mormon, this volume is without question, the most helpful guide to Isaiah available today. Dr. Randal S. Chase, a veteran CES and Institute instructor, provides insights into the culture, language, meaning, and chronology of the writings of Isaiah in a relaxed and understandable style. The stories, quotes, examples, maps and illustrations are unequalled in any other reference guide of its kind in print today. Readers will find themselves gaining insights and understanding from Isaiah that have eluded them before. The cover features the famous 1896 woodcut/painting of Isaiah by Gustave Dore. The contents of this book on Isaiah are taken from Making Precious Things Plain, Volume 9, Old Testament Study Guide, Pt. 3, which contains information on all of the prophets who prophesied in or to Israel after the days of King Solomon. Dr. Chase has also released a volume called Making Jeremiah Plain, and 3 volumes each on the Book of Mormon, Church History, the Old Testament, and the New Testament. Table of Contents: Ch. Title

Scripture

Refs

** Understanding Isaiah 36a. Isaiah Pt. 1: Messiah, Scattering, Restoration Isaiah 1-12 36b. Isaiah Pt. 2: A Voice of Warning and Lucifers Fall Isaiah 13-23 37.
