

Convert Your Text To Audio: Boost Your Reading Capacity And Speed Using Free Tools Like Audacity

Do You Want To Be Able Consume Information Faster? Do You Want To Be Able To Read More Books In A Shorter Time With Less Effort? Most of us want to read more because we recognise the value in reading, but we dont seem to be able to find the time to read more. We end up buying books that we do not complete or even start reading at all. Often, we may see a book on a topic that piques our interest but the sheer size of it may be what leaves it forever on our to-read list. Reading Books Is The Best Way To Invest In Yourself Successful people read. They read a lot. They constantly educate themselves. The likes of Bill Gates and Warren Buffett often stress how important reading is to their success. Consume Information Faster And With Less Effort In this book, I will show you a method you can use to read more books, faster, and with less effort. I will show you how to leverage freely available software technology to turn your text into audio files that you can listen to anywhere. We live in the information age and our ability to assimilate information fast is increasingly becoming critical for success. Reading is one of the best investments you can make in yourself. In This Book Youll Learn:How to find the best, human sounding, text-to-speech voices.How to use free software to convert PDF files, Kindle Books, MOBI files, and EPUBs to plain text.How to use Microsoft Word wildcards to find and delete redundant text, page numbers, unnecessary line-breaks, and other characters from your converted PDF files, to clean them up for conversion to audio.How to use free software to read out PDF files, Kindle Books, MOBI files, and EPUBs in human sounding voices.How to use Audacity to record your books to MP3 or WAV audio files.A super-fast and easy method to encode any text to audio, in any file format, using one of the best paid tools in the industry. If youre ready to boost your

productivity by reading more books, faster, and with less effort, then scroll up and click on Buy now to get started today!
