

In Spirit: A 28-Day Jump Start to Live by the Spirit

The intent of In Spirit is to provide a 28-day jump-start to live by the Spirit for those seeking to discover or improve their own spiritual walk. In Spirit is a compilation of Contemplations, Practices, and Reflections (CPRs). The 28 CPRs are rooted in the teachings of Jesus and His apostles, Old Testament examples, and my personal experience in overcoming addiction and standing up under temptation. In Spirit helps create a new perspective toward life and generate new, higher thoughts, and healthier emotional patterns, enhancing your spiritual sense. If you feel paralyzed by your inability to climb out of the darkness and becoming unrecognizable to yourself it's OKAY! In Spirit provides disciplines to recalibrate your spiritual wiring to give a new better understanding of trust and surrender. As you journey through your transformation, be prepared for your mind and heart to go through a metamorphosis time of darkness before the light of a new birth. This occurs in His timing, as one engages Jesus in Spirit. It only takes a seed-sized amount of faith to begin. Your restored faith will become more evident through your experience of the power that comes through the Spirit.
