

Radical Impact: A Managers Playbook to Achieve Meaningful Results

Radical Impact by Andy Ray rallies middle managers to slay the status quo of business and career complacency with the sword of strategic execution. Radical Impact is a management development book designed to answer the challenges managers face in the world of 21st century business. This is the essential playbook that every manager needs to create results and take charge of their teams and their careers. With an iconoclastic style that leaves no business school myth unchallenged, Andy Ray speaks to the middle manager who hungers to achieve results and to have a meaningful life but simply cannot find the way. The six part radical IMPACT cycle equips any middle manager to become a radical impact hunter. The result achieved? A management career of impact achievement and meaning.
