

## Out of the Heart (Whirlwind Series) (Volume 4)

Rose Woeberg is on the run . . . and she has no one to turn to! Mexican gang leader, Don Diego, has thrown Rose out for a more beautiful woman. Calling her white trash he ordered her out of their luxurious apartment and then left. Humiliation turned to anger and thoughts of suicide, as Rose threw some things into a backpack. But then, she spied Diegos valuable gold nugget ring carelessly left on the bathroom sink and Out of the Heart - revenge formulated a plan in her head. Opening his bedroom safe, Rose stole all the money stashed there, but also discovered an incriminating notebook full of names and amounts paid when Diego had them killed. Grabbing it, the money, his iPad, and precious gold ring; Rose ran. It wasnt until she was on a bus hours down the road, that the idea came to head to her birthplace of Petoskey, Michigan . . . the town where her life changed forever. The town where her father, Jason, upon getting out of prison for manslaughter; murdered a man, kidnapped a woman, and ended up being killed during her rescue by detectives Quaid Williams and his partner, Paul Statham. Will Rose find a welcome in Petoskey? How will Rose stay hidden from a man intent on finding and killing her?
