Do you have enough money in your bank account? Are you head over heels in love with your partner? Are you surrounded by loving, caring friendships? Do you love your job? Do you have a close, loving relationship with your family? Are you driving the car of your dreams? Do you have a great relationship with your children? Are you healthy? When on vacation, do you stay in the top, most luxurious hotels in the world? Do you have peace of mind? Do you live in your dream house? Are you a confident, happy person? Do you have your own successful, thriving business? If you answered Yes to the above questions, then congratulations, you have mastered the art of visualization, whether consciously or unconsciously. You are aware of how powerful this technique can be. You know with 100% certainty that you can have and achieve ANYTHING your heart desires. You have mastered the art of mind power, and truly live the life of your dreams. You desire, you visualize, and you manifest, each and every time. If, on the other hand, you answered No to any of the above questions, then I urge you to learn everything you possibly can about visualization. Learn how it can completely transform your life. In this book, 33 Guided Visualization Scripts to Create the Life of Your Dreams, you will learn what steps to take in order to visualize correctly. There are 33 scripts provided, divided into financial abundance, career, family, relationships, love, health, peace of mind, and addictions. Each script will show you how to engage your senses to boost results and manifest successfully.

It doesn't matter how much you currently have in the bank, it doesn't matter if you are in debt up to your eyeballs, it doesn't matter if you feel you will never meet the love of your life, it doesn't matter if you hate your job and feel there is no way out. I promise you here and now, there is a way out. You deserve to have everything your heart

desires. Happiness, success, perfect health, loving relationships, financial abundance, and peace of mind are your birthright. And they are there for the taking. Through positive, consistent visualization, your life will change. It will become the life you have always longed for; always dreamed about. There are no limitations with what you can have, achieve or be. Any limitations you feel there are, are only in your mind, and can be eradicated, SHOULD be eradicated. The sky is the limit. Make a promise to yourself that today, from this very moment, is the first day on your journey to total transformation. No more procrastination, no more starting on Monday, no more I'm too busy. The time is now. Allow magic and miracles into your life.
